6 Procedure for Agreeing Correspondence

Proposal: To agree an amendment to standing orders concerning the content of correspondence sent out in the name of the PC.

Proposer: Olly Hares

The Draft Amendment: *Where there is a requirement for the PC to respond in writing to requests for decisions or information and the reply-by date does not allow for a formal meeting to agree the wording then the wording of any response must be positively agreed by a majority of Parish Councillors. This does not apply to responses where there is no additional content to what is agreed in a formal meeting'*

(Note: If any Councillor is in general agreement with the sense of the amendment but has a different form of words they would like to suggest, it would be useful if this could be circulated prior to the meeting.)
